

APPEAL FOR DONATION

BALGRAN -A Charitable Home for Destitute Children, Channi Rama, Jammu a registered and Non- Political NGO, provides free Boarding, Lodging, Education and Medical care to children who are Destitute/orphan due to various unfortunate circumstances. This also includes children affected by Militancy and due to other Natural calamities. The BALGRAN also undertakes their rehabilitation in life as well as marriage of girl inmates.

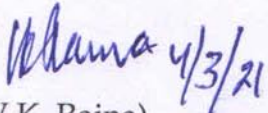

In BALGRAN, education is imparted to all inmates in our own school with the name and style of Bal Bharti Public School which provides education up to Matric standard. Male inmates are allowed to continue for higher studies in Govt. Colleges/ institutes. It also provides financial and other requisite backup for higher education to our inmates in Professional Colleges. Our endeavour is not only to make a Home for living but also to make it a Temple for learning so that the children are prepared to face the challenges of life.

We appeal you to visit us any time to see what infrastructure has been provided for the welfare of the inmates. Our efforts towards this end have been rewarded by PRESIDENT AWARD 1999 for the best Child Welfare. Our Management has decided to construct a Multipurpose Hall for various activities by the children of BALGRAN whose expenditure is estimated to be more than Rs.50 Lacs. I feel that our project of construction of Multipurpose Hall cannot be completed without support of our esteemed donors. For this purpose your kind and generous donations in cash or kind is welcome.

WE APPEAL YOU TO KINDLY DONATE LIBERALLY A SUITABLE AMOUNT FOR THIS PURPOSE.

Your Contribution shall go a long way in mitigating our needs.

With Regards
